

*another fucking Nissan (2018)*

**‘What has the greatest collection  
of humanity and IQ and financial capital been  
brought together to accomplish?’ Scott Galloway  
[New York University professor] asked the crowd.  
‘To save world hunger? To create greater comity of man?  
I don’t think so. ... Their singular mission, simply put,  
it’s to sell another fucking Nissan.’**
