THE AMBIVALENCE OF CREATIVITY

Open call for artists · ArtBullshit · Independent project and exhibition in Berlin.

I am looking for artists who are willing to question their routines, creativity, concepts and embroilment in the market. All materials and techniques allowed: painting, drawing, print, sculpture, object, process, collage, montage, web, audio, analog photography, digital photography, film, video, projection... no limits. **Everybody is welcome!**

More info: **Ralph Lichtensteiger** · Art Director + Designer + Composer
