

No. 6

The garbage of life remains devoted to concentration  
(for Maurice Merleau-Ponty)

**one** exclusively devoted to concentration ultrasonic dissector  
melons riverside blossoms inexplicable garbage  
gone ten days drinking devoted to concentration  
positive thinking or affirmations only an empty bed

**two** very peaceful very seductive ten days drinking  
the garbage of life remains devoted to concentration  
intact and protect against the ultrasonic dissector  
dispersal of cellular material peaceful very seductive

**three** you haven't handled them ten days drinking  
nature's bounty very seductive only an empty bed  
corn and grain potatoes peaches ultrasonic dissector  
the gas in the garbage increases peaceful very seductive  
extensive orchards you haven't handled them  
the rounded tops of apple trees  
I find only an empty bed with garbage  
the ultrasonic dissector

**four** positive thinking or affirmations only an empty bed  
corn and grain potatoes peaches ultrasonic dissector  
extensive orchards you haven't handled them  
exclusively devoted to concentration ultrasonic dissector  
gone ten days drinking devoted to concentration  
very peaceful very seductive ten days drinking

**five** the gas in the garbage increases peaceful very seductive  
melons riverside blossoms inexplicable garbage  
seductive ten days drinking extensive orchards  
grain potatoes peaches only an empty bed  
rounded tops of apple trees devoted to concentration
