

No. 8

nothingness (for John Cage)

nothingness in art is not nothingness
Leviathan and anarchy world
with recordings of Anton Webern
and no noise-only-sound-open-mindedness

or let us say, predictable
nature-nothing-section in
the fungi-mind of 24 seconds
and the fiction-related-members
of imitation

card game
limiting the potential
arrangement of human nature
all things are explained to them
the expression

insupportable twelve-tone serialism "Free Style"
for example
sublime intervals or
thousand bitter melancholy attachments
to the world
